

Drafting a Dream Team

Create a five (5) player NFL “Dream Team”

Activity

1. Name your team without using any locations or team names already used in the National Football League.

2. Create a logo for your new team.

3. Draft your players. You have \$45,000,000 to draft a quarterback, a running back, a wider receiver, a linebacker, and a defensive end.
 - Use the 2020 Cap Hit column on the right side of the [team salary page](#).
 - You can select each team’s salary information in the dropdown menu at the top of the page.
 - Reference [player statistics](#) to help you make selections.
