

Trading Card Design

Create a trading card for your favorite player.

Activity

1. Use the [Packers roster](#) or research your favorite Packers player, current or historic, to create a trading card.
2. On the front you should include:
 - A photo or drawing of the player
 - Team name
 - The player's name
 - The players position
3. On the back you should include
 - Player's height
 - Player's weight
 - Player's birthdate
 - Player's college
 - Player's statistics for each year they have played
 - 2 sentences about the player's achievements

Front

A large, empty rectangular box with a black border, intended for drawing or writing the front of a trading card.

Back

A large, empty rectangular box with a black border, intended for drawing or writing the back of a trading card.
