

New Applicant Portal

Green Bay Packers Give Back is introducing a new Applicant Portal. The more modern look and feel mirrors online shopping experiences.

The email account used to submit online applications prior to July 2026 is no longer valid and application history from that email account is no longer accessible.

Blackbaud software manages our grant/giving programs and other donation requests. To begin the application process, click the link provided on the Field Trip Grant Information page on packershofandtours.com.

A new GrantsConnect account must be created to submit online applications. Account authentication is managed through Blackbaud ID.

If you have a GrantsConnect/Blackbaud ID that you use with another funder or used for the 2025 or 2026 Packers Foundation grant process, sign in with that login. The new applicant portal uses a single account to manage grant and similar applications submitted to funders using Blackbaud to manage their grant/giving programs.

Please note that only one GrantsConnect/Blackbaud ID is needed to manage all online applications submitted to both Green Bay Packers Give Back (donations) and the Green Bay Packers Foundation (grants).

Email communications from our online application system will be sent from:

noreply@yourcause.com or mail@grantapplication.com

Please add these emails to your safe sender list.

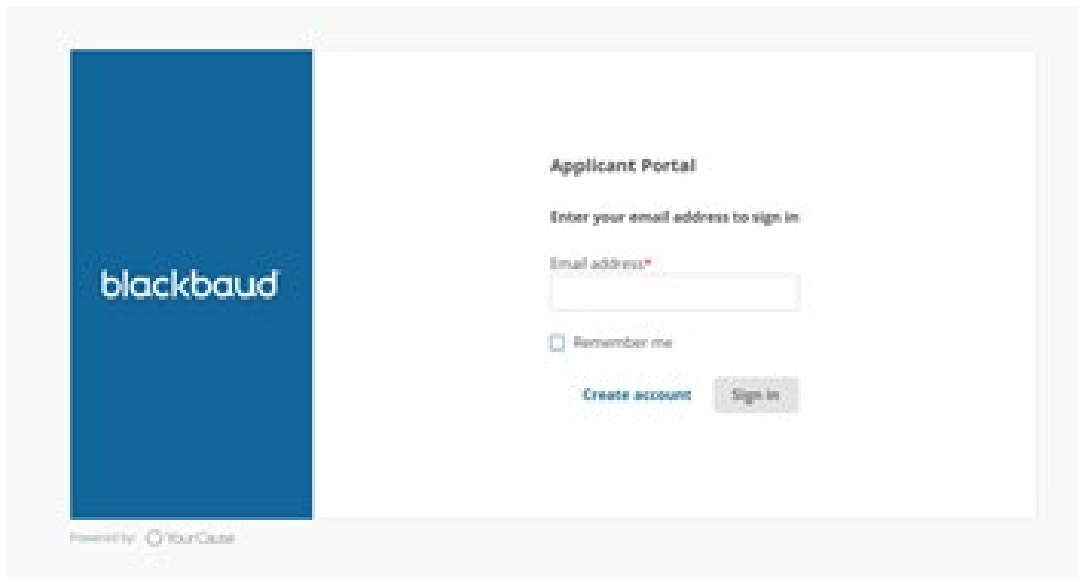

**Log in to view applications (submitted and drafts) on
your “My Applications” page:**

Creating an Account in the new Applicant Portal

Start by clicking the application link in the Field Trip Grant Information section on packershofandtours.com. On the Applicant Portal page, click Create account.

The screenshot shows the Blackbaud Applicant Portal login interface. On the left is a blue vertical bar with the 'blackbaud' logo in white. To the right, the text 'Applicant Portal' is at the top. Below it, a prompt says 'Enter your email address to sign in'. There is an input field labeled 'Email address*' with a red asterisk. Below the input field is a checkbox labeled 'Remember me'. At the bottom of the form area are two buttons: 'Create account' and 'Sign in'. At the very bottom of the page, it says 'Powered by YourCause'.

Select an option to Sign in or sign up (create an account) and follow the instructions on the remaining screens.

The screenshot shows the 'YourCause® from Blackbaud' sign-in/sign-up screen. At the top is the 'YourCause® from Blackbaud' logo. Below it is the heading 'Sign in or sign up'. There are four buttons for different sign-in methods: 'Continue with SSO' (with a lock icon), 'Continue with Google' (with the Google logo), 'Continue with Apple' (with the Apple logo), and 'Continue with Email' (with an envelope icon). Below these buttons is a link that says 'More sign-in options' with a downward arrow. At the bottom, there is a line of text: 'By continuing, you are agreeing to the Blackbaud Terms of Use and Privacy Policy.' Below that is a link: 'Need help? Have questions?'. At the very bottom, it says 'Powered by blackbaud'.
