

June 2026

Dear Packers Hall of Fame, Inc. Lifetime Member,

Over the last few years, you may have noticed opportunities through the Packers Hall of Fame associated with an Annual Membership. These have included things like History Night programs or Alumni events. The Annual Membership is offered directly through the Packers, and is separate from your Hall of Fame, Inc. Lifetime Membership.

According to the terms of your original Lifetime Membership (Charter and Builders Club), you are entitled to free Hall of Fame admission for the person named on the membership card.

Since you already receive free Hall of Fame admission as a part of your Lifetime Membership, we would like to offer the opportunity to add on the Annual Membership at the reduced cost of \$40 (+tax). This is a savings of \$25 on our regular Individual Membership pricing.

Annual Membership benefits include:

- Two (2) guest vouchers for the Packers Hall of Fame admission
- Free admission to virtual programming*
- Members only events and discounts*
- Pre-sale for Alumni Tours*
- Members only website portal with access to exclusive content
- Hall of Fame & Stadium Tour event update email*
- Exclusive Hall of Fame Member eNewsletter
- Hall of Fame exclusive mini football
- Option to purchase up to two (2) more mini footballs

Your free Hall of Fame admission is still valid with your Lifetime Membership card.

Annual Membership benefits are valid, for the named individual, for a year from the date of purchase.

For questions or to purchase an Annual Membership, please contact Justine Kaempfer, Hall of Fame & Stadium Tours Coordinator, at 920-569-7129 or kaempferj@packers.com.

Whether or not you are interested in Annual Membership, we would appreciate the opportunity to update your contact information, including an email address. Please reach out to Justine Kaempfer, at 920-569-7129 or kaempferj@packers.com, to do so.
