

Good afternoon,

Happy New Year and thank you for registering for the Packers Hall of Fame's 2021 Tundra Tales Reading Program!

The program does not officially begin until Monday, January 25<sup>th</sup>, but I wanted to contact you ahead of time to provide you with some extra information and resources for your participants. I will continue to provide updates throughout the program, typically on Fridays, so keep an eye on your email for another update at the end of this week. These updates will also always be accessible on our [website](#) under the Program Updates section.

In this update, I want to remind you about the availability of our Spanish language materials. All of our materials are available in **both English, as well as Spanish** to try and make the program accessible to Spanish speaking participants and families. Parent/Guardian Letters and Participant Reading Logs for both the *Bi-Weekly* and *Traditional* programs are available on our [website](#) and below.

- [Bi-Weekly Parent/Guardian Letter - Spanish](#)
- [Bi-Weekly Participant Reading Log – Spanish](#)
- [Traditional Parent/Guardian Letter - Spanish](#)
- [Traditional Participant Reading Log - Spanish](#)

Along with several other reading recommendation lists, the Brown County Library has also put together a list for us of recommended [Spanish language books](#). This list can be found under the Reading Lists section of our [website](#). Although the list links directly to the Brown County Library website, these books, as well as others, will hopefully be available at your local library.

I have also attached a FAQ document. Some of this information may be redundant, as you have already registered, but I believe the second page may be helpful in clarifying some things about the program.

Lastly, please make sure your inbox is set to receive emails from both [education@packers.com](mailto:education@packers.com) and [kaempferj@packers.com](mailto:kaempferj@packers.com). From this point forward, I will be contacting you from the Hall of Fame's education account and do not want the information to get lost in cyberspace.

If you need to update any your registration numbers or contact information, please email me at [education@packers.com](mailto:education@packers.com) rather than submitting a new form.

As always, please feel free to reach out to me with any questions.

Regards,

**Justine Kaempfer**  
Museum Programs Assistant
