How do I register for Tundra Tales?

- There are two options for registration for the 2022 Tundra Tales program:
- *Bi-Weekly Program*
 - This version of Tundra Tales consists of four two-week segments, breaking the entire program into quarters, just like a football game.
 - Every two weeks, Coordinators will be required to submit their participant completion numbers for that quarter in an online submission form.
 - Participants who complete the required minutes for each quarter will receive a Packers themed prize. At the end of the fourth quarter, participants who have met the final reading goal will receive a Packers Hall of Fame voucher, good for one free participant admission and one reduced price adult admission.
- *Traditional Program*
 - Traditional Program Coordinators will need to submit their participants' completion numbers only once, at the end of the program.
 - Traditional participants who achieve the final reading goal will receive a Packers Hall of Fame voucher good for one free participant admission and one reduced price adult admission.
 - This program may appeal to Coordinators with a large number of participants.

When does Tundra Tales take place?

- Tundra Tales 2022 will begin on Monday, January 24, 2022, and will end on Sunday, March 27, 2022.
- Participants are required to read for 8 weeks. An extra week to achieve the total goal is included to accommodate school schedules and spring breaks.
- Final Reading Logs should be submitted by participants to Coordinators by Monday, March 28, 2022.
- The deadline for Coordinators to submit final completion numbers is Monday, April 5, 2021.

What are the reading requirements for the Tundra Tales program?

- Participants in 4K through fifth grade must read or be read to for an average of 60 minutes every week, outside of school, for a total of eight weeks (a total of 480 minutes).
- Participants in sixth through eighth grades must read an average of 90 minutes a week, outside of school, for a total of eight weeks (a total of 720 minutes).

How do participants track their minutes?

- We provide printable logs for both the Bi-Weekly and Traditional programs. Coordinators are not required to use these, but they provide a format that includes all applicable information.
- *Bi-Weekly Program* participants
 - These forms should be filled out and signed by parents or guardians to show completion of the required minutes.
 - These forms should be turned in to the participant's Tundra Tales Coordinator at the end of each quarter.
 - These forms will also be available in Spanish.
- *Traditional Program* participants
 - This form should be filled out and signed by parents or guardians to show completion of the required minutes.
 - This form should be turned in to the participant's Tundra Tales Coordinator by Monday, March 28, 2022.
 - This form will also be available in Spanish.

What if a participant misses the reading mark for the week?

- *Bi-Weekly Program*
 - Quarterly goals are:
 - 4K-5th grades – 120 minutes/quarter
 - 6th-8th grades – 180 minutes/quarter
 - If participants miss the mark for the quarter, this does not disqualify them from prizes for subsequent quarters.
 - There will be a total of three quarterly prizes. At the end of the fourth quarter, participants who have met the final reading goal will receive a Packers Hall of Fame admission voucher.
 - As long as participants complete the TOTAL number of required minutes by the end of the program they will still qualify for the final prize, the Hall of Fame voucher.
- *Traditional Program*
 - As long as participants meet the TOTAL number of required minutes by the end of the program they are eligible for the Hall of Fame voucher.
 - It is advised that participants read for the average number of minutes per week, but not required by the Tundra Tales program.
